- CE mark in relation to EC Directive 89/686/EEC

### Article data

Item no.	Size	Color
320051	Organic Bamboo Fibre	Mocha-beige

The Particle Filtering FFP2 NR Face Mask is naturally antibacterial, which prevents the formation of bad odours. In combination with the meltblown fleece in the intermediate layer, the novel bamboo respirator will be able to protect wearers from most viruses and bacteria.

With the patented and CE-certified FFP2 respiratory protection mask with inner and outer layer made of 100% organic bamboo fibre, you are doing something good for yourself and your environment. Even with the same protective effect!

### Technical data
