

Technical Data Sheet

CE Swep Duo Plus Frame

International article number

159823 (50cm)

Product classification

Plastic frame for Swep Duo mops

Composition

Plastic components:	Polypropylene Polyamide Polyoxymethylene Thermoplastic elastomers
Metal components:	Stainless Steel Brass, nickel-plated

Technical data	Typical value	Unit
Weight 50cm frame	290	g

Product properties & product usage

- For use with all Vileda Professional® Swep Duo mops
- Frame can be flipped to the other side for two-sided mopping
- Easy application of mop on the frame due to gripping hole and spring-supported mop mounting
- Built-in removal lever designed for hands-free removal of the mop
- Limiter feature for better control above the floor and in the bucket
- Sticker with arrow to indicate working direction and pictogram to indicate how to release the mop without touch
- Lightweight construction for ergonomic use
- Trapezoid shape to ensure good dirt removal in corners
- This frame to reach under narrow areas
- Easy dirt removal on stairs and difficult-to-reach areas
- For use on floors, walls, and ceilings
- Universal connection to fixed and telescopic Vileda Professional® handles
- Suitable for autoclave sterilization

Storage, Transportation & Product Usage

Keep palletized products in a cold and dry place. Avoid exposure to direct sunlight. Product is not subject to transportation regulations for hazardous substances or chemicals. Disposal via landfill or incineration possible.

Quality approvals / Compliance with international standards

This product is manufactured conforming to appropriate standards within FHCS Quality System
